

Examples/Laplace_equation.cpp

```
graph TD; A[Examples/Laplace_equation.cpp] --> B[Luna/Core]; A --> C[Luna/Sparse];
```

The diagram illustrates a file structure. At the top, a grey rectangular box contains the text 'Examples/Laplace_equation.cpp'. Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box contains the text 'Luna/Core' and the right box contains the text 'Luna/Sparse'.

Luna/Core

Luna/Sparse
